# KATE GOTTFREDSON

**concept art | illustration | visual development**

## PAST WORK

### "Soup-er Hero", Artist
2021
-Worked in a team of four to create a game in 48 hours for the Gamerella Global Game Jam.
-Sole artist on team; designed characters with turnarounds for 3D rendering, created mood boards and game style tiles, designed logo, created game tiles in Photoshop.
-Worked with team to create character concepts in a short amount of time.
-Spread skills over entire production to ensure that every team member had a tolerable workload and wouldn't get burnt out.

### "Rovin' Rover", Lead Concept Artist
2021
-Lead a team of concept artists for Global Game Jam 2021 3D adventure game, "Rovin' Rover"
-Created style reference guides for character, environment, and prop designs for the game's color palette and aesthetic
-Organized team of artists and assigned roles and deadlines according to ability; to meet objectives in the short time-frame and to maximize efficiency in 3D design pipeline
-Brain-stormed and problem-solved with Level Designers, Lead Scripters, and Animators to better design game according to specifications and limits of the time-frame
-Designed and provided UI artwork.

### Light Grey Art Lab's World Roulette, Artist and Contributer
2020
- Created illustrated world vignette developed from a randomized, computer generated world-building prompt for LGAL world building anthology
-Wrote short story alongside and about illustrated world
-Provided creator tips, tricks and advice for worldbuilding compendium

### "Let Loose" Coca-Cola Refreshing Films Program, Visual Development Artist
2019
-Worked with directors and producers to create paintovers to solve film aesthetic and design solutions for the VFX pipeline

### Freelance Illustrator/Graphic Designer
-Designed logo and marketing materials for local companies and podcasts
- Created illustrations for charity zines, fanzines, book illustration, merchandise, and paintovers for 3D designs
